**Long Island Mathematics Conference**

**“LEARN TO COUNT  
LEARN WHAT COUNTS  
CREATE CONNECTIONS”**

**Co-sponsored by:**

The Association of Teachers of Mathematics of New York City  
The Association of Mathematics Supervisors of Long Island (formerly NCAMS)  
The Nassau County Mathematics Teachers' Association

Dear Exhibitor,

The Long Island Mathematics Conference Board (LIMAÇON) invites you to exhibit at its Thirty-Ninth annual conference on Friday, March 14, 2025, at SUNY Old Westbury. We hope to see your company represented at our annual conference. We also hope that our attendance continues to grow back to our usual number of attendees this year.

LIMAÇON provides quality in-service for mathematics teachers and pre-service mathematics teachers and has had over 600 registrants from elementary through college level. We have been told that it is one of the largest one-day regional mathematics education conferences in the Northeast. This conference provides an inspiring forum for the exchange of current concerns, innovative ideas, and achievable ideals in mathematics with the common goal – improvement of the quality and vision of mathematics education in New York State and the nation.

Based on feedback from vendors several years ago, we revised the day's schedule to allow participants more time to visit vendor booths. We included extra break time between sessions and separated the lunch into two time slots so that participants will be able to go to vendor booths during their lunchtime.

We also will look for ways to make your day as an exhibitor better and are open to suggestions at any time.

Our time schedule for the day of the conference is laid out below:

### *Time Schedule*

**7:45 - 8:30 CHECK-IN, CONTINENTAL BREAKFAST and EXHIBITOR BOOTHS** - Campus Center

**8:45 - 9:15 INTRODUCTION** by the Long Island Mathematics Conference Board

**9:15 – 10:15 KEYNOTE ADDRESS by Dr. James Matthews**, Sienna College, Loudenville, NY, former President of AMTNYS and NYSAMS, “Learn to Count. Learn What Counts. Making the Teaching Profession Count”

**SESSION A:** 10:30 AM - 11:20 AM

**SESSION B and C/ BUFFET LUNCHEON:** 11:35 AM- 1:30 PM

**SESSION D:** 1:45 PM - 2:30 PM

**EXHIBITOR BOOTH times:** 7:30 AM – 1:45 PM

**Cost:** \$350 per exhibitor table plus an Eventbrite fee, \$50 additional for electrical access

**\*\*Breakfast, lunch, and coffee break sponsorships are also available.\*\***

Once again thank you to all the exhibitors who have sponsored these in the past.

***Please see the registration form OR contact Bruce or Cathieann for more information.***

Please register online at: [2025 LIMACON Vendor Eventbrite Link](https://www.eventbrite.com/e/limacon-2025-vendors-long-island-math-conference-tickets-1003169205097?aff=oddtcreator) or

<https://www.eventbrite.com/e/limacon-2025-vendors-long-island-math-conference-tickets-1003169205097?aff=oddtcreator> or by going to our website: <http://www.LIMathConference.org> and

clicking on the exhibitor form link. To complete the form on Eventbrite: first click on the red button “TICKETS”, choose the type of table you want (be sure to scroll down as there are many options). Then click the red button “CHECKOUT” and fill out all the requested information. Finally click the red button “PLACE ORDER”.

If you have any questions - Please contact the exhibitor chair, Bruce Waldner, [bcwaldner@aol.com](mailto:bcwaldner@aol.com) or co-chair, Cathieann Rowland, [crowland@whufsd.com](mailto:crowland@whufsd.com).

Sincerely,

Bruce Waldner Exhibitor Chair

Cathieann Rowland Exhibitor Co-Chair

Debra Kessler Exhibitor Co-Chair
